

Ministries Information Bulletin 2010

At Liberty Park Baptist Church, we believe that every person is called to become a fully-devoted follower of Jesus Christ. Because we believe this deeply, we have committed as a congregation to offer a broad range of ministries to aid people in making this spiritual journey.

The Bible tells us that this journey begins when we come to know Jesus Christ in faith. Once we have come to know Him, we are expected to grow in our faith, becoming more like Jesus in our attitudes, thoughts, behavior and speech. This life transformation occurs as we grow closer to Christ, follow His plan for our lives and develop character that truly reflects His heart.

God also desires that we join Him in His work to draw other people to Himself, a task that we accomplish by using our God-given gifts for ministry. The heart that is completely given over to Him will naturally take the step from simply receiving ministry to becoming one who ministers to others.

In this Ministries Information Bulletin, you will find a fairly exhaustive list of our existing ministries. I hope you will use this information to learn what is available through LPBC to assist you in knowing Christ, growing in Christ and going with Christ.

In Christ,

Organist: Connie Bean

Worship Choir – Wednesdays, 7:15pm to 8:30pm

The backbone of our choral ministry is the Sanctuary Choir, which provides music for the 11:00 AM worship service every Sunday morning. This choir is also involved in several special programs during the year. Membership in the Worship Choir is open to any adult 18 and older, and by special permission for those in high school. We do not think of this choir as a volunteer choir but as a called choir, which is dedicated and answerable to God in terms of attendance and commitment.

Childcare is provided during all regular and special rehearsals.

The Music Ministry typically provides at least three special events each year. These events range from Christmas programs presented by our choirs to special guest artists in concert.
